To the Visa Section

Dear Madam / Sir,

I would like to have a visa application for myself. I will visit your country between/...../..... -/...../..... for TOURISTIC purposes.

All expenses incurred during those trips to the SCHENGEN COUNTRIES will be covered by myself and I hereby confirm and guarantee that I will not overstay in your country or another Schengen State beyond the validity of the visa issued by you.

I would much appreciate if you could kindly grant the necessary and long term multiple visa for me.

Yours faithfully,
