To the Visa Section

Dear Madam / Sir,

I would like to have a visa application for me and my child/children
Mr./Mss. We will visit your country between
...../...../..... -/...../..... for TOURISTIC purposes.

All expenses incurred during those trips to the SCHENGEN COUNTRIES
will be covered by myself and I hereby confirm and guarantee that we will
not overstay in your country or another Schengen State beyond the validity
of the visa issued by you.

I would much appreciate if you could kindly grant the necessary and
long term multiple visa for me and my children.

Yours faithfully,
